

Erosion and Sediment Control Permit Modification

Water Obstruction and Encroachment Permit Modification

The Department of Environmental Protection (Department) provides notice of a complete application for a permit modification for the following listed Chapter 102, Erosion and Sediment Control Permit and Chapter 105 Water Obstruction and Encroachment Permit, issued for the Pennsylvania Pipeline Project (PPP)/Mariner East II.

Ch. 102 Permit No. Applicant Name & Address Counties DEP Regional Office

ESG0100015001 Sunoco Pipeline, LP (SPLP) Delaware and Chester Southeast Region
535 Fritztown Road
Sinking Spring, PA 19608

Ch. 105 Permit No. Applicant Name & Address Counties DEP Regional Office

E15-862 Sunoco Pipeline, LP (SPLP) Chester Southeast Region
535 Fritztown Road
Sinking Spring, PA 19608

Modification 1

This request, received August 5, 2019, is entitled Modification Request—Installation Method Change at PA Turnpike/0280 HDD, Upper Uwchlan Township, Chester County. This modification consists of a change in the route and installation method for the 16 and 20-inch diameter pipeline previously permitted as Horizontal Directional Drill (HDD) 280.

The permit modification request is to convert the installation method of both the 16 and 20-inch diameter pipelines from a HDD to an open cut installation and one conventional bore. The change in methodology is to minimize impacts to Waters of the Commonwealth and avoid potential future growth requirements of the PA Turnpike I-76.

The modification includes an additional 4.86 acres of LOD.

Modification 2

This request, received May 14, 2019, is entitled Modification Request for Installation Method Change at HDD S3-0400 Lisa Drive, West Whiteland Township, Chester County. This modification consists of a change in installation method for the 20-inch diameter pipeline previously permitted as Horizontal Directional Drill (HDD) 400.

The permit modification request consists of a change in installation method for 20-inch diameter pipeline from a Horizontal Directional Drill (HDD) to a Direct Pipe Bore and open trench installation. The direct pipe bore will go under the Exton Bypass (State Route 30), AMTRAK (American Track National Railroad Passenger Corporation), Norfolk Southern Railroad, and wetland WL-K21. The remaining 1,269 feet will be installed via open trench installation. The change in installation method will not result in any increase to the permanent impacts to wetland WL-K21 or other waters of the Commonwealth as set forth in the original Chapter 105 authorization.

The modification includes an additional 3.99 acres of LOD.

For more detailed information regarding the Southeast Regional Office Chapter 102 permit (ESG0100015001) and Chapter 105 permit (E15-862) related to this project, which is available in the Department's regional office and available online at dep.pa.gov/pipelines, contact the Southeast Regional Office, (484) 250-5160 to request a file review.

A person wishing to comment on a permit application and its contents are invited to submit comments within 30 days of this public notice. Comments on the applications can be sent via postal mail to the Department of Environmental Protection, Southeast Regional Office, 2 East Main Street, Norristown, PA 19401.

Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and relevant facts upon which it is based. A public hearing may be held after consideration of comments received by the appropriate Department office during the 30-day public comment period.

Following the 30-day comment period, the program manager from the appropriate Department office will make a final determination regarding the proposed permit.

Persons with a disability that require an auxiliary aid, service or other accommodation to participate during the 30-day public comment period should contact the specified Department office. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.
