Dear Homeowner:

The West Whiteland Township Police Department is committed to providing the best service to both business and homeowners. To ensure optimal service is provided in the time of an emergency, the West Whiteland Township Police Department has created a Residential Emergency Notification Form. The purpose of the Residential Emergency Notification Form is to provide the police department with a list of names and telephone numbers of people you would like contacted in the event of an emergency involving you and/or your home and any potential medical conditions that emergency personnel should be aware of. This information is kept confidential and used only in the event of an emergency call at your residence (i.e. fire, theft, medical alert, etc.).

Please take a moment to fill out the enclosed "Residential Emergency Notification Form". You may return it by postal mail, fax or email to the police department, ATTN: Yvette Johnson. Please remember if there are any additions or deletions to be made, notify the police department so that all information is complete and current.

Sincerely,

Yvette Johnson
Administrative Assistant
