Pedals for Progress/Sewing Peace, in its continuing effort to recycle unwanted items properly, is having a used bike and sewing machine collection sponsored by **Chester Co. Solid Waste Authority.**

Anyone with an adult or child's bicycle in repairable condition is urged to donate their bike to this worthy cause. We do not accept "bikes for parts" or disassembled bikes. We also accept working portable sewing machines and sewing notions (no fabric, please).

Bikes and sewing machines can be dropped off **rain or shine: Saturday October 20, 2024, West Goshen Municipal Complex, 1025 Paoli Pike (entrance on Five Points Rd). West Goshen, PA 19380.**

P4P/SP collects 3,000 to 5,000 items annually and transfers this material wealth to those in greater need. To date, more than 167,000 bicycles and 6,300 sewing machines have been shipped to developing countries in Latin America, Africa and Eastern Europe. In these countries the bikes are reconditioned by partner agencies and distributed at low cost to poor working adults. Bikes provide reliable transportation for commuting to work, transporting product to market, and greater mobility accessing health care and other services. Sewing machine shipments help initiate educational programs and generate income opportunities that may otherwise remain out of reach for many people. Steady employment for adults is vital to the development and success of struggling communities.

It costs on average \$52 to collect, process, and ship each bicycle. **A donation toward shipping costs is necessary for our continued success (suggested \$20 per bike and sewing machine).** All cash and material donations are fully deductible and a receipt will be provided on site.

Pedals for Progress/Sewing Peace is a 501(c)(3) corporation and a registered charity in the states of **NJ, NY, PA, CT, VT.** Brochures explaining this innovative program will be available at the collection site. P4P seeks donations of wrenches for our overseas shops.
